

SISJ USAHANIAGA SDN. BHD.

ENVIRONMENTAL POLICY

SISJ USAHANIAGA, as a specialized recycling and recovery of materials, shall fully recognize our responsibility towards environmental protection and shall devote ourselves to sustain to the co-existence of our business management and the global environmental.

We are committed to :-

- ❖ Complying to all applicable laws and regulations of the country, international agreements related to environmental issues.
- ❖ Activate activities to prevent pollution, reduce waste, conserve resources and promote 3R (**R**educe, **R**ecycle and **R**euse) and CO₂ reduction activities.
- ❖ Establish environmental programmes by setting reasonable objectives and targets to manage our significant environmental impact and review them annually for continual environmental performance.
- ❖ Initiate environmental awareness activities for all staffs and enhance their environmental consciousness through training and education.

This policy shall be made available to the public where appropriate.

We, the management of SISJ USAHANIAGA, are fully committed to this policy as part of our contribution to society.

MR. SHEIKH IMRAN ISKANDAR
